

Chapter 1: In the Beginning

“And God blessed them. And God said to them, “Be fruitful and multiply and fill the earth and subdue it”
(Genesis 1:28 ESV)

For years, I have given a demonstration at churches and in online forums – regarding the *organic nature* of all technologies, using the **CPU: Central Processing Unit**

A **CPU** is the main circuit in a computer where all computer programming logic is processed. Most CPUs are designed and formatted in much the same manner as pictured in *figure 1a*:

Figure 1a

A modern CPU that one would find in their home computer, or even a large computer server in a corporate environment – has features very similar to this example: A wafer that is made of silica (sand) , a heatsink for cooling – usually made of tin and an array of gold-pins on the underside that connect the CPU to the rest of the

computer circuitry through a specially formatted socket on the *motherboard*. The circuitry within the CPU is etched into the silica (silicon) wafer using a novel combination of chemicals that change the electrical conductivity and photoreactive properties of the silicon – and the circuit is “inscribed” by the combination of the chemicals and a laser. The “magic” of the CPU calculations and “logic” - happens by use of tiny circuits called ‘gates’ – which are basically nanoscopic on/off switches called TRANSISTORS.

In 1992 the 486DX2 series CPU was released with 1.2 million transistors. In 2022 – modern CPU circuits have 114 BILLION TRANSISTORS! The size of the chip has not varied much – yet the technology has advanced enough to increase the number of transistors in the same surface area, by over **one-hundred-thousand percent**.

Silica, tin and gold – all of these elements come from within the earth. We are “*subduing the earth*” just as the Most High instructed Adam to do, back in Genesis 1:28. Yet while many seem to believe that technology is somehow outside the purview of God, the CPU and any other technology are MADE OF ROCKS! It may not look like rocks or dirt, because it is fashioned and formatted in a way that serves the function of the technology in question. Still – technology consists of the very same elements common to the earth (**חֶרֶט** ha’eretzt in paleo-Hebrew) that the Most High made. “*All things were made through Him; there’s nothing that was made, that was not made through Him.*” (John 1:3)

We will find as we move forward in this writing – that technology has always been a part of mankind’s efforts. The technology may have not been formatted to look the same as what we have in use today, but we can rest assured that the same beings that give mankind knowledge of technology in these modern times – gave that knowledge to mankind in the days of old. We have written record of such things, in the scriptural accounts:

- The Book of Enoch - Chapter 8 -

*“Moreover **Azazael** taught men to make swords, knives, shields, breastplates, the fabrication of mirrors, and the workmanship of bracelets and ornaments, the use of paint, the beautifying of the eyebrows, the use of stones of every valuable and select kind, and all sorts of dyes, so that the world became altered. Impiety increased; fornication multiplied; and they transgressed and corrupted all their ways. **Amazarak** taught all the sorcerers, and dividers of roots: **Armors** taught the solution of sorcery; **Barkayal** taught the observers of the stars, **Akibeel** taught signs; **Tamiel** taught astronomy; And **Asaradel** taught the motion of the moon, **And men, being destroyed, cried out; and their voice reached to heaven.**”*

It should be emphasized that the Book of Enoch (and other non-canonical scripture) provides details of the days of Jared, the years leading up to the flood of Noah’s day. These details are left out of the Five books of Moses – in which we are only given a cursory glance of the depths of sin, chaos and utter rebellion that would lead up to the Most High flooding and thereby cleansing, the entire earth. **Why would this be so?**

EXAMPLES OF ANCIENT TECHNOLOGIES

There are numerous accounts of archeological finds of technology that could not be possible, according to commonly taught history.

While many finds are compelling, the assessed ages of these finds usually obscure their connection with Biblical/scriptural truths – by dating the finds at being 500,000 years old!

Holding to Biblical truths – the earth could only be approximately 6-7000 years old. Pointing to ancient technology - archeological finds as support for scriptural truths, creates a conundrum of sorts.

Because of this, most Christian hermeneutics makes no allowance for “ancient technologies” – causing an entire segment of technological history to be all but ignored. This also causes many believers to overlook these days as being anything like the days of Noah – because we have technology, and that “never existed before”.

Because these writings were common knowledge to the early Biblical writers, and to those of whom the texts of our Old-Testament scriptures were originally written to. The Biblical accounts, the readers and the hearers - were familiar with the texts of the Book of Enoch, The Book of Jasher (*the upright man*) and the like. For example, Biblical accounts of prior knowledge of “apocryphal (hidden) writings” can be found in Joshua:

¹²“Then spake Joshua to the Lord in the day when the Lord delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou, Moon, in the valley of Ajalon.

¹³And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. **Is not this written in the book of Jasher?** So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.” (Joshua 10:12-13 KJV)

And in 2nd Samuel 1:

¹⁷And David lamented with this lamentation over Saul and over Jonathan his son:

¹⁸(Also he bade them teach the children of Judah the use of the bow: behold, **it is written in the book of Jasher.**) (2nd Samuel 1:17-18 KJV)

But we digress...

Turning back to Genesis we find that after Adam was given the task to “subdue the earth” – Adam and Eve’s decision to heed the serpent’s wiles and sin against the Most High brought on a few important changes that affected all of mankind, in the form of a promise and a curse:

¹⁵“I will put enmity between you and the woman, and between your offspring and her offspring; He shall (crush) your head, and you shall (strike) His heel.”

¹⁷And to Adam he said, “Because you have listened to the voice of your wife and have eaten of the tree of which I commanded you, ‘You shall not eat of it,’ **cursed is the earth because of you**, through painful toil you will eat food from it all the days of your life. Both thorns and thistles it will yield for you,” (Genesis 1:15 – 3:17 ESV)

Genesis 3:15 is considered by many to be the first pronouncement of the Gospel of salvation through Christ Jesus. The serpent’s head was crushed at the cross, when Jesus spoke His last:

“*It is finished!*” – It was at the cross that Jesus crushed his (the serpent’s) head, but although the serpent received that mortal wound, he still lived. We should consider that truth in the light of Revelation 13:3 –

“*And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast.*” (Revelation 13:3 NKJV)

We should also note that God Most High did not curse Adam for his sin. He cursed “the earth” – the ground. Mankind will toil to eat, and the earth will produce thorns and thistles. Given time, everything that man makes with his hands, falls apart. What man produces under his own strength will fail him to the point of harm (thorns and thistles). Even the technologies that have been given under “inspiration of the Holy Watchers” - WILL PRODUCE THORNS AND THISTLES – because it is made from materials that come from the earth. (*Remember – “technology is made of rocks”*)

In a time that sees the majority of mankind racing towards “eternal life through tech” (*good luck with that 😊*) – we must keep the truth of what God says, foremost in our minds. It may all seem like “medical miracles” or technological advancement beyond our wildest imagination, but **the coming flood of AI and its technological wonders** – will be lying wonders that will take the partakers of the “wine of her fornication”, down into the abyss.

The Most High gives us a formula for nullification of that curse that He spoke over the earth. This blessing that nullifies that curse, exists only in the life of a true child of God – the faithful in Christ Jesus:

CONTINUOUSLY PRAY

“if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.” (2nd Chronicles 7:14 NKJV) (emphasis added)

“In all your ways acknowledge Him, And He shall direct your paths” (Proverbs 3:6 NKJV)

RENEW YOUR MIND

“And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God” (Romans 12:2 NKJV)

“For ‘who has known the mind of the Lord that he may instruct Him?’ But we have the mind of Christ.” (Corinthians 2:16 NKJV)

COME OUT OF MYSTERY BABYLON

“And I heard another voice from heaven saying, “Come out of her, my people, lest you share in her sins, and lest you receive of her plagues.” (Revelation 18:4 NKJV)

It is not my desire to offend anyone, but because most are without knowledge and unaware, many believers in Christ Jesus remain entrenched in Mystery Babylon.

Ok, at this point, pause your reading and take a moment to pray that Holy Spirit will show you what He wants to reveal and make known to you - as you meditate on and study the scriptures and thoughts on what we’ve read thus far.

“HE CHANGES THE TIMES AND SEASONS; HE REMOVES KINGS AND ESTABLISHES THEM. HE GIVES WISDOM TO THE WISE AND KNOWLEDGE TO THE DISCERNING. HE REVEALS THE DEEP AND HIDDEN THINGS; HE KNOWS WHAT LIES IN DARKNESS, AND LIGHT DWELLS WITH HIM. (DANIEL 2:21-22)

Chapter 1 **TAKEAWAYS**

All things were made through and by Jesus/Yeshua/Aleph-Tav -

Technology is comprised of the very basic elements of creation. Rocks and the elements, that much of what we call organic, living matter - is built upon "the dust of the earth".

Technology is not inherently evil - but the earth received a curse from YHWH because of Adam's sin. This is why everything we make, including technology - fails and/or falls apart.

In ancient history, prior to the flood, a rebellious group of angels (*called Sons of God in the Bible, Holy Watchers in Apocryphal books*) gave man technology and compelled mankind to rebel against God - by giving mankind knowledge and their technologies.

We can receive wisdom on how to deal with all evil by continuously praying and renewing our mind - bringing our minds into obedience with Christ Jesus
