

“All denominations and most people, die in the same ‘first revelation’ they receive from God. The people that call themselves Lutherans today, are living in the same blessing that Luther had some four hundred years ago.

The people that call themselves Wesleyans and Methodists today, are living in the same blessing of Wesley – from a couple of hundred years ago. It’s very difficult to get ‘out of a groove’.

It’s very difficult to get out of a (religious) system.”

Dr. Lester Sumrall

*“Come out of her, My people, that ye be not partakers of her sins,
and that ye receive not of her plagues.” (Revelation 18:4 KJV)*

What could Artificial Intelligence have to do with the flood of Noah's day?

In this writing I will demonstrate that the scriptures emphatically teach:

- A contingent of angels called “Holy Watchers” decided to have offspring with human woman and knowingly commit this great abomination of sin towards the Most High.
- The Sons of God, The Divine Council mentioned in the Bible are these same “Holy Watchers” (a position of angelic authority) mentioned in Enoch and Jasher and in Genesis 6 - that not only conceived children with human women, but also gave mankind knowledge, technologies and weapons, while teaching how to abort babies and how to better kill one-another. Also teaching “the mixture of animals with animals - to provoke God”
- The result of this angelic rebellion was that all flesh and the entire earth, became so profoundly corrupted that YHWH (יהוה) decided to flood the world and destroy all flesh upon the earth.
- When the progeny of the angelic/women union were killed, their disembodied spirits were cursed by the Most High to remain on the earth, hungering and thirsting, and hating everything about God's creation, especially mankind. They would be called “evil spirits upon the earth.” (Enoch 15:8)
- The disembodied nephilim spirits, in league with their rebellious angelic “parents” and with evil men, have been the inspiration and cause for war and strife through-out all of history.
- These same disembodied spirits are also the same spirit(s) behind the inspirations of many of the technologies that we take for granted today – and they are the true source of the “intelligence” behind AI: They are demons. They are Legion. They are the disembodied spirits of the Nephilim. And they are rising in these last days.

*To better understand how this can be so – we must perform a systematic, deep-dive study into scripture, history and certain pervasive, ‘esoteric ideals’. When we finish, there will be very few who would doubt that the **“Coming Flood of AI”** will be the scenario that fulfills key prophetic passages through-out scripture, including the Book of Daniel and Revelation, that predict and lead up to - the return of Jesus Christ, our LORD and Savior!*

*I ask that you be patient, read carefully, pray for Holy Spirit guidance and research the statements made within this writing for yourself. I will provide links to additional sources to help you search these things out. The LORD willing, **this book will help you clearly see the plans – the wiles of our enemy, the devil – so that he will not gain an advantage over you nor your family.** You will find that I repeat these ideals throughout this writing, because we seem to often grow weary and forget that we are in a great battle for our families’ eternity! As you read this book, you may think to yourself that, “I’ll never accept a permanent interface to AI” – but we forget that our children have never known a life without technology. The Coming Flood of AI will be ‘normal’ to them. We must become knowledgeable so that we can properly warn and direct them! - **Look up! For our redemption draws nigh!***

PROLOGUE

This writing contains “new wine.” It is not my intention to hurt you – “the wineskin.”

The words that you read on these pages have been in the making for over seventeen years. This is not because I’m some hugely procrastinating individual who can never get anything done – no! on the contrary... I have been writing published works and speaking publicly about an eclectic multitude of subjects for almost two decades. A visit to my website – jesusfreakcomputergeek.com - you will find these subjects:

Artificial Intelligence | Genetic Engineering | Biblical Cosmology (Flat Earth) | Solar Geoengineering | Climate/Weather Modification | Quantum (Mandela) Effect and Quantum Computing | Transhumanism | Abiotic Oil, Crypto-Currency | False-Flag events and Hegelian Dialectic – to name just a few subjects included in posts on the website. (<http://jesusfreakcomputergeek.com>)

These subjects, while possibly sounding like *a laundry-list of Conspiracy Theorist fodder* and possibly the subjects of the next UNIBOMBER Manifesto - are replete with sound, Biblical-based worldviews, and doctrinal truths. The JFCG website posts also include reference to some of the latest scientific and technological knowledge that exists in circa 2023. **I open this book with a warning** of sorts, because you cannot glean understanding from this book without putting in your own effort towards study as you read along. I’m reminded of the teaching of Jesus, when He states:

“You cannot put new wine into old wineskins, because you will lose the wine and destroy the wineskin.”
(Mark 2:22 paraphrased)

The *beginning of wisdom is the fear of the LORD*, and the only way to the Father is through a relationship with His only begotten Son – Jesus Christ of Nazareth – **the way, the truth, and the life!** It is by our faith in Jesus, that Holy Spirit comes and resides within us, leading us into all understanding. As it is written: “A spiritual man judges all things” –

“But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know them, because they are spiritually discerned.” (1st Corinthians 2:14 NKJV)

Then in verse fifteen we read:

“The spiritual person judges all things, but is himself to be judged by no one.” (1st Corinthians 2:15 ESV)

What you are reading here is the culmination of life-experience, professional experience, formal and non-formal education – that the Most High has had me live through since I was twelve years old! And although it may sound like exaggeration, there were many things, technological in nature, that I “just knew” since an even younger child. I simply always knew how things worked!

I have memories of my Dad calling me into a room with his friends – and prodding me to explain the components of their radio and how the technology functioned, when I was in 4th and 5th grade! I was a precocious, oddball of a kid, who read encyclopedias for fun. And *because I was born with Cerebral Palsy in which my entire left-side was atrophied and I limped rather profoundly, I was inclined to a more “cerebral and thoughtful lifestyle” – and veered away from the more physical challenges and sports that most young boys gravitated towards.*

My innate understanding of all things tech, led to a career in technology that included a twelve-year tenure at NASA, where I worked side-by-side with world-renowned astrophysicists, engineers and technologists - supporting them in NASA field science efforts, providing tech support for spacecraft launch events, instructing University level, orbital science platform (satellite) - remote-sensing and data processing and engineering a few specialized technologies along the way, *“just for fun”*.

But I was not aware then, how those experiences would lead to my unorthodox understanding of scriptural truths and mankind’s spiritually and supernaturally charged history!

YHWH - God Most High was *“setting me up”* in preparation for such a time as the days we find ourselves living in. Days that are defined by technologies and science (*knowledge*) that very few individuals from the general public understand, and yet those same individuals use and put their trust in - every day. More importantly though, we find ourselves in what I believe are the end of the *“end-of-days.”* These days are described by Biblical prophecies, and while never using the word *“computer”*, *“electronic”* or *“electro-magnetic field”* – still present scenarios in the prophecies that describe the effects and outcomes of such modern technology and science ideals.

In the effort to distill to contain decades of my life’s increase in knowledge about the things of God, the scriptures and many of its prophecies, and past writing efforts, the thing that has kept me from finally having a finished work – a book – was, *“which subject should be the focus?”*

I have now come to realize what the most burgeoning and pervasive issue in our world is today: ARTIFICIAL INTELLIGENCE – and its inclusion into and control of - every facet of all of our daily lives. And yet the truth concerning such technologies are being obscured from the general public.

Although this writing can help any reader understand how pressing the issues of AI are - there are a few prerequisites to help you get the most insight out of the information contained in these pages.

If you do not know Jesus Christ as LORD and Savior – there are emphatic statements in this book that will otherwise *“challenge your normalcy bias.”* But if you are a person of faith – a believer in Christ Jesus – this scripture should be familiar:

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” (Ephesians 6:12 KJV)

“For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.” (Ephesians 6:12 NKJV)

Again – if you are not a believer – a faithful Christian - I urge you to not spend your time with these writings until you’ve gotten the most needful thing taken care of: **ETERNAL SALVATION**

Salvation by grace, through faith in Christ Jesus, the free gift of God. Assuming that you know the LORD and are saved - the second prerequisite is that you have read the scriptures and have a well-grounded, Holy Spirit led understanding of key Biblically based, doctrinal truths. I will mention a few here by quoting scriptures as points of reference, but we will go into more detail as we move forward in these writings. Please be patient with me, if I seem to be discontinuous in my thought-process and presentation in the following pages. I assure you that these seemingly disparate ideas will converge and become quite coherent.

“In the beginning, God created the heavens and the earth” (Genesis 1:1) - If you are a Christian that believes that God did not create the world in six days, because “science teaches us otherwise” – this book may be too much of a challenge to your normalcy bias and the understandings presented here may be difficult to comprehend.

“There were giants on the earth in those days, and also afterward, when the sons-of-God came in unto the daughters of men and they bore children unto them – the same became mighty men of old, men of renown.” (Genesis 6:4)

If you are a Christian who believes that the “sons of God” were the “sons of Seth” – this book will likely be a challenge for you because you may not fully understand the truth of- *“it’s not flesh and blood that we war against, but powers, principalities, the rulers of darkness in high places.”*

To provide clarity, allow me to explain.

The “**sons of Seth**” doctrine began with a simple, and a single, poorly translated KJV verse:

“And to Seth, to him also there was born a son; and he called his name Enos: then began men to call upon the name of the LORD.” (GENESIS 4:26 KJV)

“To Seth also a son was born, and he called his name Enosh. At that time people began to call upon the name of the LORD.” (Genesis 4:26 ESV)

The translations get even further away from accuracy when we come to newer versions of the Bible:

Genesis 4:26, NLT: *“When Seth grew up, he had a son and named him Enosh. At that time people first began to worship the LORD by name.”*

The International Standard Version and original Hebrew are the only two places we can find an accurate statement: *“Seth also fathered a son, whom he named Enosh. At that time, profaning the name of the Lord began”* (Genesis 4:26 ISV)

In the original Hebrew, the words that were translated to “(men)began to call upon the name of the LORD” – are (*transliterated*) **chal-al qara ba-shem Yahweh** – **chalal** (pronounced: kha-lel) means “profane”, **qara** (pronounced: kah -raw) means “call upon”, **bashem** means “of the name”, **Yahweh** is the proper name for God Most High: **YHWH**

Another important scriptural principle that requires clarification is that there were (and are) multiple gods – YHWH is the Most High and is **unique from all others**.

“Here O Israel, the LORD our God is One LORD”(Deuteronomy 6:4 ESV)

“Listen, Israel! The Lord is our God, the Lord alone.” (Deuteronomy 6:4 ISV)

The Most High created all things, including the gods who sit in places within His Divine Council. (Deuteronomy 32) These little-g gods (elohim) are called the “sons of God” and are a class of angelic beings. They are mentioned in Genesis 6, Deuteronomy 32, Job 1 and more, and are described as having been given authority over the nations, and Israel would be God Most High’s portion.

“When the Most High gave to the nations their inheritance, when He divided mankind, He fixed the borders of the peoples according to the number of the **sons of God**. But the Lord's portion is His people, Jacob His allotted heritage.” (Deuteronomy 32:8-9 ESV)

“God has taken His place in the Divine Council; in the midst of the gods He makes judgement.” (Psalm 82)

If you are a Christian and you're unable or unwilling to comprehend that there are multiple gods (little “g”) and a singularly unique, Most High God – this book and what it postulates, may not resonate with you. I have been teaching for quite a few years that **‘what we call mythology, is in fact – history.’**

“OK, I get it” – you may be thinking – “We need to better study our Bibles - the “inerrant Word of God.”

READ THE NEXT SENTENCE CAREFULLY: We find, through deep study of scripture, that the idea that the **English Bible** is “the inerrant Word of God” becomes problematic upon deep examination. We begin to find that the translators didn't always get every nuanced detail, right. Please understand that I'm not intending to negate the importance of Bible reading and biblical knowledge – nor the fact that the Most High has revealed Himself, His ways, and our Eternal Salvation through faith in the Only Begotten Son, through the accounts of the ancient scriptural writings. But you should know that every English translation of the scriptures has quite a bit of omission and ‘omissions of translation’ that begins even at the first verse of Genesis.

The English translators (and before them, the Greek SEPTUAGINT and Latin VULGATE translators) did not know what to do with certain Hebrew Aleph/Bet characters that were in the middle of the script:

the Aleph/Tov (אָלֶף Paleo-Hebrew) and the second to last word in Genesis 1:1 – “Vav-Aleph-Tov” (וָאוֹר Paleo-Hebrew).

We must keep in mind that the earliest English translations, while meticulously worked and certainly under the unction of Holy Spirit – the translators were dealing with a “dead language” (Hebrew) and the Hebrew people were at that point in history, scattered through-out the world. AND most translated source material was from the Greek Septuagint or Jewish Masoretic texts. While the Septuagint was a more accurate source material for Old Testament writings and New Testament affirmation – we're still translating to English from a Greek translation of the original Hebrew! As the adage goes: “Much gets lost in translation.”

Therefore, the early Bible translations and even the modern translations leave this beautiful revelation of Jesus Messiah, as presented in the opening statements of scripture – OUT OF THE FIRST LINES OF SCRIPTURE!

“In the beginning God created the heavens, and the earth.” (Genesis 1:1) Pretty clear-cut proclamation regarding the beginning of creation. – What could possibly be missing?

In the Hebrew (transliterated into English) – we find a few secreted understandings that have are foundational doctrines concerning our LORD and Savior, Jesus Christ of Nazareth. I will explain in more detail later in the book, but you may already see what I'm referring to. Ask Holy Spirit to reveal it to you as you review this chart below:

B'reshet	Bara	Elohyim	ET	ha'shamayim	Va'ET	ha'aretz
(in) Beginning. רֵאשִׁית	created (He) בָּרָא	the Most High spirit אֱלֹהִים	first/last (strength of the cross) אֵת	the many waters (heavens) הַשָּׁמַיִם	nailed (to) strength of the cross וְאֵת	(and) earth (founded) הָאָרֶץ
Hebrew is read from right to left – so in the Hebrew lexicon, it looks like this:						
בְּרֵאשִׁית בָּרָא אֱלֹהִים אֵת הַשָּׁמַיִם וְאֵת הָאָרֶץ						
Paleo-Hebrew looks like this:						

The middle word, Aleph/Tov – is omitted from the English translations. “Aleph” in Paleo-Hebrew is in the form of an Ox-head and means: “strength.” The “Tov” is a cross. “Strength (of the) cross”! We should also note that Aleph/Tov are the first and the last letters of the Hebrew alphabet.

“First and the last” – Do these things ring a bell? (Keep looking, there are more! I challenge you to look for the other elements of Genesis 1 that glorify Jesus!)

A man did not teach me much of these things, Holy Spirit did by His still, small voice, and my own seeking and study, after He pointed things out. This is what makes the difference in a believer’s life – **hearing from and walking in the Spirit.** (*Faith comes by hearing, and hearing by the Word of God*)

The Bible is Infallible – The Bible is Inerrant

What we find is that **the Bible is indeed infallible in what it postulates, in what the scriptures are emphatic about, the Bible is inerrant.** But unless we begin to seek out a deeper understanding by reading multiple versions, word study (etymology), the inclusion of extra-Biblical (Apocryphal) texts in our studies and even the study of the original languages, much of the body of Christ will miss out on opportunities for deep revelation and possibly – a deeper relationship – a closer walk with Jesus!

We have created a body of believers who have skewed eschatological ideas and as we approach the end of this age, many might possibly be searching in the wrong direction for answers to long-discussed prophetic mysteries. Some may even fall away – because our ^(V1)*expectations keep us from seeing.* For a believer to grow in understanding, we must seek, listen for the prompting of Holy Spirit and study. We must grow in our knowledge and understanding of the scriptures and increase our love of Christ Jesus by walking out this life of faith. We must listen for the leading of Holy Spirit who, according to scripture, *leads us into all understanding.*

As the *Coming Flood of Artificial Intelligence* establishes the return of the disembodied Nephilim spirits to power and world influence, it will bring us into the greatest time of tribulation that the world has ever experienced, I pray that this book provides new prophetic insights into the days that Jesus compelled us all to “Watch, therefore!” and to be aware of the wiles of our enemy, the devil – so that he will not gain an advantage over you or your family!

“It is the glory of God to conceal a thing; the glory of Kings to seek it out.” (Proverbs 25:2-4)

*“Be sober, **be vigilant**; because **your adversary the devil**, as a roaring lion, walketh about, seeking whom he may devour.”* (1st Peter 5:8 KJV)

*“My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the **law (TORAH, teaching)** of your God, I also will forget your children.”* (Hosea 4:6 NKJV) (emphasis added)

In All Your Getting, Get Knowledge

Knowledge is a spiritual weapon:

...and the righteous application of knowledge, is wisdom.

Jesus said that it would be *“as the days of Noah when the Son of man returns”*. (Matthew 24)

The direction that our world is blindly and rapidly moving towards, could be described technically as “a second dark age” with a *dash of feudalism* thrown in. While the majority of the world believes we are becoming an **‘enlightened people’** through technological advancement and things like BCI (Brain Computer Interfaces), genetic modifications that enable the human body to produce its own pharmaceuticals^{U1}, modifications that enable us to eat anything as a ‘food source’, custom order babies and other “transhuman wonders” – I am reminded of two scriptures that state:

“...If then the light in you is darkness, how great is the darkness!” (Matthew 6 and Luke 23 ESV)

“professing themselves to be wise, they became fools.” (Romans 1:22 KJV)

I recommend that everyone download the resources, copy them to USB thumb-drive and SHARE THEM with anyone who might be interested.

Prayer is one of our most powerful Spiritual Weapons

Prayer bolsters our faith and dispels the powers of darkness around us

Many have heard of “the mark of the beast”, mentioned in the Book of Revelation. But few understand that God Most High has a “mark”. In Ezekiel it is written:

*“and the LORD said to him, Go through the midst of the city, through the midst of Jerusalem, **and put a mark on the foreheads** of the men who sigh and cry over all the abominations that are done within it.”*

In the book of Revelation, it is written: *“Do not harm the earth, the sea, or the trees till we have **sealed the servants of our God on their foreheads.**”* (Revelation 7:3 NKJV) and also in Revelation 9 we read: *“They were commanded not to harm the grass of the earth, or any green thing, or any tree, but only those men who do not have **the seal of God on their foreheads.**”*

The Aaronic Priest prayer written in Numbers 6:24 – I believe, has Spiritual power that the Most High intends for us to have and wield. Aaron is instructed by YHWH to “mark My people” – or “put My Name upon My people.”

“The LORD bless you and keep you

The LORD make His face to shine upon you and be gracious to you

The LORD lift His countenance to you and give you peace”

I would encourage you to learn this prayer and if you feel lead to – learn to speak it in Hebrew.

I speak it over those who come to The Gathering at the end of every broadcast.

Modern Hebrew

יְבָרֵךְ יְהוָה וְיִשְׁמְרֶךָ
 יְאֵר יְהוָה פְּנֵי אֱלֹהֶיךָ וְיִחַנֶּךָ
 יִשָּׂא יְהוָה פְּנֵי אֱלֹהֶיךָ וְיִשֵּׂם לְךָ שָׁלוֹם

Paleo-Hebrew

יְבָרֵךְ יְהוָה וְיִשְׁמְרֶךָ
 יְאֵר יְהוָה פְּנֵי אֱלֹהֶיךָ וְיִחַנֶּךָ
 יִשָּׂא יְהוָה פְּנֵי אֱלֹהֶיךָ וְיִשֵּׂם לְךָ שָׁלוֹם

Ancient Hebrew

יְבָרֵךְ יְהוָה וְיִשְׁמְרֶךָ
 יְאֵר יְהוָה פְּנֵי אֱלֹהֶיךָ וְיִחַנֶּךָ
 יִשָּׂא יְהוָה פְּנֵי אֱלֹהֶיךָ וְיִשֵּׂם לְךָ שָׁלוֹם

You may hear this blessing spoken in English and Hebrew: <https://tinyurl.com/2s38mssn>

Or visit the book resource page on the Jesusfreak computergeek website.

There will also be mentions of PALEO-HEBREW script/lexicon – I am including a chart for the ‘letters’ (lexicon) and their meanings. Some are apprehensive to study PALEO-HEBREW – because they see the ancient iconography as being ‘satanic’ or mystical. Although practitioners of Kabbalah reference PALEO-Hebrew, Paleo is not a part of Kabbalah. Paleo-Hebrew is the oldest written language. It is the original script and writing given by Father-God to Adam.

I am including the PALEO-HEBREW chart in a section that touches on the relationship of *Jewish Kabbalah* to all other “Mystery Religions” – Hinduism, New Age and the like. They are all the same, and they all worship the same god. But it is not the God of Abraham, Isaac and Jacob.

If you do not know Jesus as LORD and Savior – there’s a simple prayer on the last page of this book. Please turn there now.
 YHWH bless you and keep you. May YHWH make His face to shine upon you and be gracious to you. YHWH lift His countenance to you and give you His Peace.
